**VSS presents
“FORE FOCUS” Golf Classic**

FOCUS reaches almost 3,000 families of children with disabilities or ongoing medical conditions in metro Atlanta with programs of support. Programs include support groups, education conference and workshops, Extra Special Saturday respite care (child care), Camp Hollywood summer day camp, Camp Infinity overnight camp, and quarterly activities. At FOCUS, families feel a sense of community and learn that they are not alone on this unique journey.

FOCUS relies on generous individuals, corporations, and foundations to support our programs. We do not receive United Way funds or large government grants. The proceeds of this golf classic will support the many wonderful programs that FOCUS offers ordinary families in extraordinary circumstances. Please visit our website at www.focus-ga.org or call FOCUS at 770-234-9111 if you need more information or know a family who needs our support. Thank you for your participation and support of “FORE FOCUS.”
