**848 Copeland Road**  
**Newnan, GA 30263**

Nestled in Georgia's Northern Coweta County, Cedargate Farms is comprised of over 1,400 acres with frontage along the Chattahoochee River. The farm is the home of Dr. & Mrs. Philip H. Beegle, Jr., and is a working farm with a cow calf operation and hay operation. Cedargate has become many things to the Beegle family: a wonderful warm place for family gatherings, Sunday night bridge games with the parents, and evening rides across the farm. According to Ann Beegle, "all wildlife is safe here." This is true as the deer, ducks, Canadian geese, and many other animals are protected at Cedargate Farms.

Polo has become an integral part of life at Cedargate Farms. In fact, polo has become a passion here. Every day, after a long day at the office, Phil can be found out for a bit of "stick and ball" or hard at work fine-tuning his polo field.

Phil & Ann Beegle have generously hosted the Kool Kidz Classic Polo Tournament for the past six years. To the sponsors and guests of the Classic, they send this message:

*From all us in the Cedargate family, we welcome you to our home and property. We are proud to be a part of this event and hope you enjoy your time here. This event began in support of the Kool Kidz Foundation and continues in support of FOCUS after the merger. We are inspired by the children and families and are proud to support through the Kool Kidz Classic.*
